

Brigadoon Children's Camp Society Outdoor Centre Program Facilitator (10 Positions)

About Brigadoon

Brigadoon Village is a non-profit year-round recreational facility. During the summer months, we run an overnight summer camp program specific to children and youth living with chronic health conditions and other life challenges (such as grieving the loss of a loved one). During our Spring and Fall seasons, we have staff join us as part of our Outdoor Centre (ODC) Programming Team. Our Program Facilitators run a wide range of Outdoor Education activities for the groups who book our facility. Staff members will facilitate programs for diverse groups, including corporate retreats, school trips, and family camp programs.

Our Staff Culture: We work hard to establish a collaborative and positive community where we treat one another with kindness, understanding, and give one another the benefit of the doubt. We celebrate new ideas, encourage making mistakes and trying again, and emphasize effort rather than perfection. At Brigadoon, performing well at your job means also contributing positively to our team and environment. We teach our campers how to be compassionate, how to build connections, help them to build their confidence, and help them to bounce back when things don't go their way. That means that we need to be strong role models of these qualities as well. Most of all, we emphasize constant growth and improvement and are always striving to find a better way to do what we do.
